20th July 2021

Dear students,

**Commencement of Academic Work/Examinations for the Final Year Students in the
Faculty of Science**

University administration has decided to commence your examinations with concurrence of the Ministry of Health and University Grants Commission. This will be conducted under the strict supervision of the Medical officer of Health of Matara and the Public Health Inspectors. Thus, you are kindly instructed to follow rules, regulations and guidelines given below.

1. Arrive at the assigned hostel on **26th Monday July 2021**. Kindly note that you are not permitted to use private boarding houses. This also applies for those commuting from home. There will be a week of observation period. Please stay at home and keep away from all forms of social activities as much as possible. (Self-isolation) Please strictly avoid all crowd gatherings, funerals, weddings, trips, visits to shopping malls, friends and extended families. This is to avoid any contact with potential COVID19 carriers or patients before arriving at University.
2. Upon arrival you have to declare the health status of you and your associates for the past two weeks.
3. You will not be allowed to meet any visitors or receive any materials from the outside throughout the period of this program.
4. You are given a single room for accommodation in the hostel. Male students have been assigned to Meddawaththa Hostel and female students have been assigned to Wellamadama 03 and 02 hostels. It is your responsibility to keep it clean and the rooms will be inspected for cleanliness daily. Please follow the instructions given for using the common toilets, bathrooms and in disposing garbage.

5. It is your responsibility to maintain social distancing in accordance with the instructions given by the Department of Health Services by at least one meter. Dining should be done in your room.
6. Wear an appropriate face mask properly on leaving the room. (N 95 or surgical face mask are the best. Face shield on going out is advised). Face masks could be discarded as per the prescribed instructions to the given bin as infectious biological waste.
7. Food supply would be made available through the University canteens to all hostels. You will not be permitted to go out for meals after arrival.
8. Personal requirements eg: Tooth paste, tooth brushes, bed sheets, towels must be brought on arrival. You will not be allowed to buy them outside.
9. Each student should bring a personal protective (PPE) kit. These are available at all pharmacies for a price of around Rs 750/=. It is good to have two of these per student although washing reusing could be done on a daily basis. This kit has a face shield. All students have to wear this kit during academic activities. This will prevent the Covid 19 risk to near zero levels.
10. Keep hand sanitizers with you all the time to clean your hands. Sanitizers for personal use would not be given free by the University. However, the university will make sanitizers available at a concessionary rate in the SANASA cooperative shop.
11. You must enter university, faculty premises or examination hall or any other facility after washing your hands thoroughly. Hand washing facilities will be provided at several locations in the premises. Make sure that you wash your hands thoroughly at private places as well.
12. Public Health Officer (PHI) who is in charge of the monitoring of your health will check your health status daily. Please extend your cooperation to the PHI.

13. Failure to abide by the instructions given by the university and the health authorities will lead to disciplinary action. Violation of quarantine rules and regulations of the government in relation to Covid 19, will lead to legal action or quarantine procedure.

UOR under the guidance of the GOSL is supporting completion of your education and graduate as early as possible. Take responsibility as an adult student and successfully complete your examinations, behave responsibly to protect your health and that of others.
